

**Cooperative Agreements with Private Non-profit
Vocational Rehabilitation Service Providers
[Attachment 4.8 (b)(3)]**

Designated State unit establishes cooperative agreements/contracts with private non-profit vocational rehabilitation service providers either through the Request for Proposal process based upon identified needs or by entering into an agreement, which requires assurances and information including: 1) licensing, 2) staff training, 3) accessibility, 4) fair rates, and 5) description of services including work ethic.
